

SCHOOLS BELOW FEDERAL STANDARDS

To meet Elementary and Secondary Education Act requirements, schools and districts need the following percentages of students in all sub-groups to pass the Measurements of Student Progress and High School Proficiency Exam. The percent change is the difference from the federal target.

FEDERAL TARGETS

Elementary school (grades 3-5):
88.1% Reading, 58% Math
Middle school (grades 6-8):
82.5% Reading, 58.7% Math
High school (grade 10):
87.2% Reading, 62.4% Math
